

For immediate release:

Author's new book receives a warm literary welcome.

Readers' Favorite announces the review of the Non-Fiction - Cooking/Food book "Stop Screaming!" by Benjamin M. Weilert, currently available at <http://www.amazon.com/gp/product/B0C8RG5887>.

Readers' Favorite is one of the largest book review and award contest sites on the Internet. They have earned the respect of renowned publishers like Random House, Simon & Schuster, and Harper Collins, and have received the "Best Websites for Authors" and "Honoring Excellence" awards from the Association of Independent Authors. They are also fully accredited by the BBB (A+ rating), which is a rarity among Book Review and Book Award Contest companies.

"Reviewed By Courtnee Turner Hoyle for Readers' Favorite

Benjamin M. Weilert thoroughly describes homemade ice cream making in Stop Screaming! A Beginner's Guide to Homemade Ice Cream. From equipment to bases

and mix-ins to combinations, Weilert reveals his experience from eight years of home-based tests and his "Jul-Ice" Cream tradition. The author details the equipment you need to make ice cream and the benefits of certain kitchen tools for the recipes. He discusses the successes and failures he has experienced and provides readers with bases for ice cream, sherbet, and sorbet. He includes a section about mix-ins, covering the temperature needed for certain ingredients for a more desirable consistency, and finishes the book with the combinations that have worked best for his wife and him.

After making and sampling over seventy different recipes, Benjamin M. Weilert understands flavor and consistency! With a dose of nostalgia, the author reawakens childhood memories of ice cream as he guides readers conversationally through the experiences he and his wife have shared while testing their skills at making this homemade sweet treat. If you're ready to flip straight to the delicious recipes and start creating a mouth-watering dessert, the author has made it easy for you; however, if you wish to understand some of the possible pitfalls in the process, Weilert has included information that may help you in your quest for the creamiest result in the "Here's the Scoop" section. Readers who are ready to learn the process of making more palate-pleasing ice cream, sherbet, and sorbet will enjoy Stop Screaming!"

You can learn more about Benjamin M. Weilert and "Stop Screaming!" at <https://readersfavorite.com/book-review/stop-screaming> where you can read reviews and the author's biography, as well as connect with the author directly or through their website and social media pages.
